Dear Barry,

## ARMY RUGBY UNION REFEREES SOCIETY

I speak for all our members and guests who attended our 43<sup>rd</sup> Annual Dinner last Friday, when I say thank you for providing us with a most funny and professional after dinner speech.

I have received numerous messages, all saying how much they enjoyed your superb performance.

Your contribution proved significantly to the enjoyment and overall success of the evening, of which I am most grateful.

I thank you once again for your superb speech, and for mixing socially with our members both before and after the Dinner. Our members and guests enjoyed your company and the friendly rapport you so kindly provided.

I would have no hesitation in recommending you to any other service associations or dinner organisers for future events.

Yours sincerely

Des Chapman
