Dear Barry,

Thank you so much for speaking at our Conference. What can I say? Simply hilarious! You were fast, funny, clever, and read the audience like a book. It was an excellent end to a great day and I only hope you enjoyed the evening as much as everyone else did. I had no end of people saying how much they enjoyed it and how you really set the night off.

I only wish I could remember all the jokes & I'd be a hit in the pub! Thanks again.

Yours Sincerely

Chris Timms
