Dear Barry

### **The Award Dinner - Marriott Hotel, Glasgow**

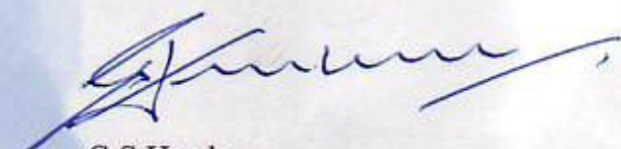

Very very many thanks for a brilliant delivery on Saturday night. I can always judge the success of the speaker by the level of hush between the periods of laughter and I can tell you that you had a nigh on perfect score. Keeping some 350 folk totally mesmerised by the speed and quality of your address was no mean feat and a skill that many will envy.

As a fundraiser the evening was very successful having contributed some £19,500 to the Association's coffers and the benefit that will flow from this success to young underprivileged Scots folk will be enormous. Your own personal contribution towards the evening's success was wonderful Barry and the last minute auction lot which you donated was particularly appreciated

I hope you enjoyed the evening as much as we did and that you and Lynda have both recovered from your marathon expedition to be with us on Saturday evening. I am so grateful to you for having so willingly taken on board what seemed to be an impossible programme when we spoke at the beginning of the week.

With my thanks and my very kindest regards

Yours sincerely
